

COLLECTION FOR CHILDREN

Children learn by imitating. Also, the correct handling of the dog should be learned properly in early age of a child. Our kid collection offers all the appropriate equipment, that a little dog handler needs for training.

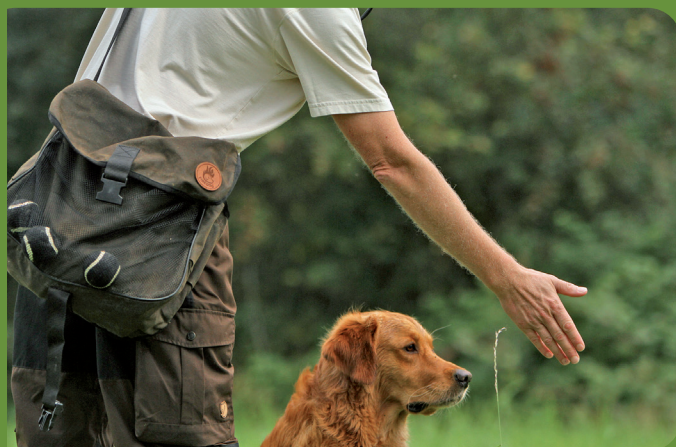

- Dummy vests • Dummy bags
- Mini Dummy bags

WAXED COTTON COLLECTION

Dummyvests and bags made of waxed cotton, a special fabric, that combines tradition of waxed cotton and improvements in processing. The result meets the highest quality standards and is a the symbol of nature's bond.

- versatile material
- wind- and waterproof
- breathable
- exceptional durability due to robust densely woven base fabric and a special finish
- high comfort
- easy to clean

BIOETHANE®

This material is known for its perfect characters and it is ideal for use in situations, when resistance and strenght is needed. BioThane® goods are extremely rupture-, water- and UV rays resistant and are antifungal and antibacterial.
